<p>Endorsement by School Council</p>	<p>Signed.....</p> <p>Name: Annette Mitchell</p> <p>Date.....</p> <p>School Council President’s endorsement represents endorsement of School Strategic Plan by School Council</p>
<p>Endorsement by the delegate of the Secretary</p>	<p>Signed.....</p> <p>Name.....</p> <p>Date.....</p>

## School Profile

<b>Purpose</b>	At Ainslie Parklands Primary School we have designed a supportive and engaging learning environment that prepares students to constructively contribute to, and participate in, an ever-changing and complex world.
<b>Values</b>	<p>We believe these values are central to the life of our school and the ways in which all members of the school community conduct themselves –</p> <ul style="list-style-type: none"><li><b>Respect</b> by showing care and compassion for ourselves, others and the environment.</li><li><b>Responsibility</b> to be in control of our learning and our actions towards ourselves, others and the environment.</li><li><b>Individuality</b> to be yourself and have confidence to know you can ‘have a go’ and achieve your personal best.</li><li><b>Honesty and integrity</b> to seek the truth and ‘walk the talk’ in all our actions.</li><li><b>Learning</b> so we have the knowledge to make good choices and show independence.</li><li><b>Positive attitude</b> towards school and making it a fun, enjoyable, challenging and rewarding learning experience.</li><li><b>Collaboration</b> with the whole community so that we understand that we’re all in this together and we can achieve.</li><li><b>Understanding and acceptance</b> of ourselves and others in our multi-cultural community.</li></ul>

# Environmental Context

Ainslie Parklands Primary School was built in 1962, and was known as Croydon West Primary School until being renamed in 2012. It is located in the City of Maroondah on the border of the Cities of Ringwood and Croydon.

In 2015, student enrolment is 175 students representing approximately 120 families. We have 13 EFT school staff, including Teaching staff, Office Staff, four Teacher Aides and a Library Technician.

The student population has changed over the past six years with an increase in the enrolment of students from English as an Additional Language (EAL) and refugee backgrounds. Our school is culturally diverse with 35% of families having a Language Background Other Than English (LBOTE), with the largest LBOTE groups being Burmese (representing several distinct languages).

Ainslie Parklands has a Student Family Occupation index of 0.48 which indicates that we are in the medium SFO percentile range and that overall our school is of medium socio-economic status. Approximately one-third of the school community has, in the past, received the Education Maintenance Allowance (EMA), which is based on the self-reporting of income-status by parents. However, Ainslie Parklands has a diverse social demographic, ranging from families where one or both parents are relatively high-income earning professionals or business owners, to low income, single parent families. This profile has changed markedly over the past decade.

Our school has a strong reputation in the local community. We celebrate the cultural diversity of our families, while providing quality learning programs in all curriculum areas. We also offer a wide range of extra-curricular activities including extensive Performing Arts and Sports programs as well as Chess, Cheerleading and other special interest programs organised by teachers during Lunch-time Recess and after school hours. Student wellbeing is given a high priority and we offer many programs designed to support students over a range of issues, as well as a comprehensive suite of student leadership programs.

The AusVELS provide the basis of the curriculum within an integrated model. Teachers work in teams to plan and deliver curriculum that caters for the individual needs of students in multi-age classes. Each student has their own Individual Learning Plan (ILP) developed through collaborative processes involving the student, parents and teacher.

Ainslie Parklands has an attractive, safe and stimulating learning environment, enhanced by recently-renovated and well-maintained facilities. The school is well resourced in IT including interactive whiteboards in every Learning Studio and access to student desktop computers and shared iPads. Partnerships between parents and staff are encouraged and highly-valued: parents are involved as classroom helpers, in student conferences, school committees, fundraising and social activities. The work of the School Council and the parent community is evident throughout the school in improved programs, facilities and equipment for students and teachers. A large number of enthusiastic parents and community members provide many hours of voluntary work to maintain the extensive gardens and outside learning spaces, and volunteering to support student learning and the smooth running of the school's program.

## Service Standards

### General

- The school fosters close links with parents and the broader school community through its commitment to open and regular communications via fortnightly newsletters and our Facebook pages.
- The school commits to the active sharing of its vision and goals to ensure school community engagement in the school's strategic plan.
- The school supports student access to a broad, balanced and flexible curriculum underpinned by skills for learning and life.
- The school provides a safe and stimulating learning environment to ensure all students can achieve their full potential.
- All students will receive instruction that is differentiated to their individual needs.

### Specific

- The school will respond to all communication by parents and caregivers in a timely manner.
- Parents will be advised in a timely manner when their child does not behave in an acceptable manner.
- Students will play an active part in the development and review of the school's behaviour policies.
- All teachers will provide timely and targeted feedback to students on their learning tasks.

**In summary:**

**Our priorities and strategies to achieve our 4-year outcomes, 2015-18**

- Improving the learning opportunities for all of our students without exception
- Boosting children’s learning and wellbeing in their Primary School years with a particular focus on curiosity, creativity and play
- Achieving significant gains in literacy, working mathematically, and science as both a process and an academic discipline
- Supporting parents and carers to be actively and regularly involved in their child’s learning
- Strengthening leadership and professional practice across this school and the Maroondah Network of schools
- Focusing relentlessly our professional efforts on the needs of our learning community
- Increasing and informing the educational choices of learners, and of their teachers
- Working closely and openly with our various local school communities, including teachers and Principals from our local Maroondah Network of schools and a smaller cluster of five nearby schools.
- Recognising the contribution education makes to the good health and quality of life of the children and young people in our care.
